

# MAINSTREAM REPUBLICANS OPPOSE WILLIAM PRYOR

As loyal Republicans we support the confirmation of all fair-minded jurists.

Through his own words and actions, one nominee  
has made it clear that he is unsuitable for lifetime service on the U.S. Court of Appeals.

## William Pryor's Actions

### PRYOR'S RECORD ON FREEDOM OF CHOICE:

Called *Roe v. Wade* "the worst abomination of constitutional law in our history."

### PRYOR'S RECORD ON CIVIL RIGHTS:

- > Pryor also argued that the Supreme Court should cut back on the protections of the Age Discrimination in Employment Act, the Civil Rights Act of 1964, the Americans with Disabilities Act, and the Family and Medical Leave Act.
- > As a Deputy Attorney General, Pryor joined an amicus brief in support of the state of Colorado's defense of a voter initiative that prohibited local governments from enacting laws protecting gays and lesbians from discrimination.
- > In 2002, Pryor filed an anti-gay brief in *Lawrence v. Texas* on behalf of Alabama urging the Supreme Court to uphold Texas' law banning consensual same-sex intimate relationships.

## William Pryor's Words

"[A] constitutional right that protects 'the choice of one's partner' and 'whether and how to connect sexually' must logically extend to activities like prostitution, adultery, necrophilia, bestiality, possession of child pornography, and even incest and pedophilia."

"I will never forget January 22, 1973, the day seven members of our highest court ripped the Constitution and ripped out the life of millions of unborn children."
